"The loft you provided was strong enough to withstand the rigors of a dorm room, gave lots of extra space, and set-up was very easy. My roommate has a wooden loft and yours is easily much better. In 10 minutes it was set-up — good product!" - **Steven M.**

"I find that you have an excellent customer service department. Good service is hard to find, and it's under appreciated. Thank you for being a good company." - **John H.**

"We just dropped off our son for his freshman year. My son and his roommate rented your loft beds. The lofts went together with little effort. We saw numerous fathers lugging VERY HEAVY wooden lofts all over campus and felt lucky our boys decided to rent the metal lofts from CCI. We had several upper classmen stop by the room and comment on how nice the lofts looked. We gave the lofts high marks." - **Cheryl B.**
